

1001RB-II/700RB-II

Owner's Manual Addendum

Addendum:

This addendum describes changes to the owner's manual. Be sure to read and follow all the instructions contained in the manual and this addendum, and keep them in a safe place for future reference.

Ventilation and general information for the 1001RB-II and 700RB-II:

Page 10: Installation and Maintenance

Installation:

For combos, make sure there is three feet of clearance around the sides, top, back and front of the unit for maximum ventilation.

Note:

Where "700W/480W" is noted in the manual, 700W refers to the 1001RB-II and 480W refers to the 700RB-II.
